Print On Virtually Anything

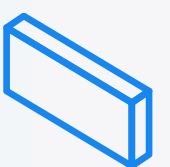

Print on Any Surface

Smooth, Rough, Narrow...

Print on Any Shape

Round, Curved Surface, Thin Edge...

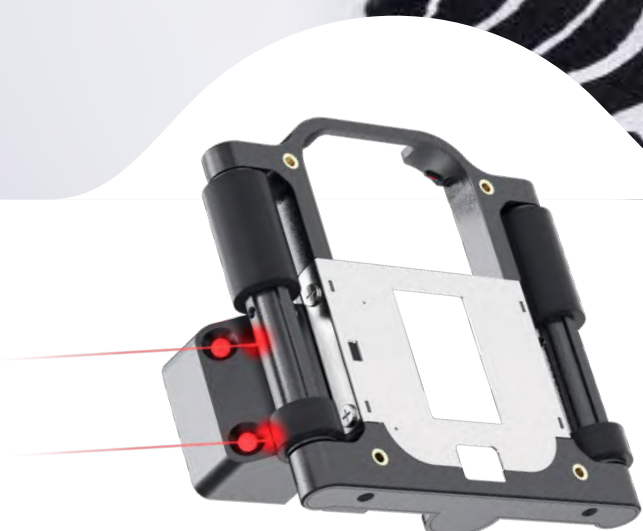

Print on Any Material

Paper, Glass, Cardboard, Plastic, Metal, Wood, Concrete, Cable, Wheel, Leather...

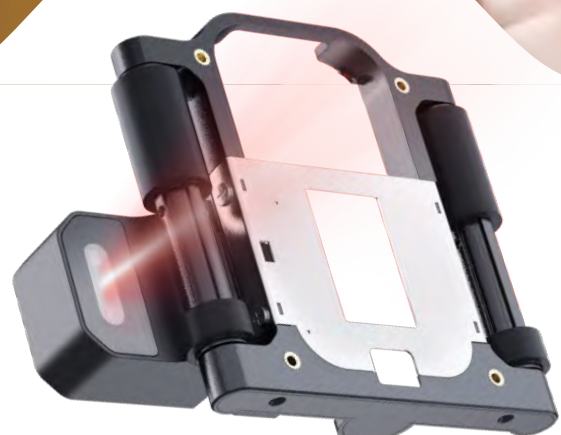

Flexible Modular Design

Freely Swap 5 Adapters For Unlimited Possibilities

Laser Alignment Clip

The laser aligner greatly improves positioning accuracy, efficiency & consistency for maximum productivity

Scanner Clip

Scan to import barcodes & QR codes for direct printing. Instant code reading streamlines operations from checkout scanning to backend inventory management

Assembly Line Clip

Automatic trigger printing upon production line detection. Saves wiring & debugging, convenient & efficient

Pipe Clip

Adjustable dual-wheel spacing for stable printing on various pipe diameters. Enables traceability for all construction & woodworking applications

Edge Position Clip

Automatic trigger printing upon production line detection. Saves wiring & debugging, convenient & efficient

One-Step Printing Method

Finished Easily In 3 Simple Steps

Method 1: Finish Printing In 3 Easy Steps

Design

Tap

Swipe

Method 2: Touch-Free Printing

Built-in sensor enables printing without tapping any buttons

Applicable Industries

Delivering Brand-New Experience For All Industries

Packaging Industry

Create industry labels to facilitate traceability & packaging management

Industrial Production

Portable handheld inkjet printer, unrestricted site usage. Improves material management efficiency for hard-to-transport materials

Creative Studio

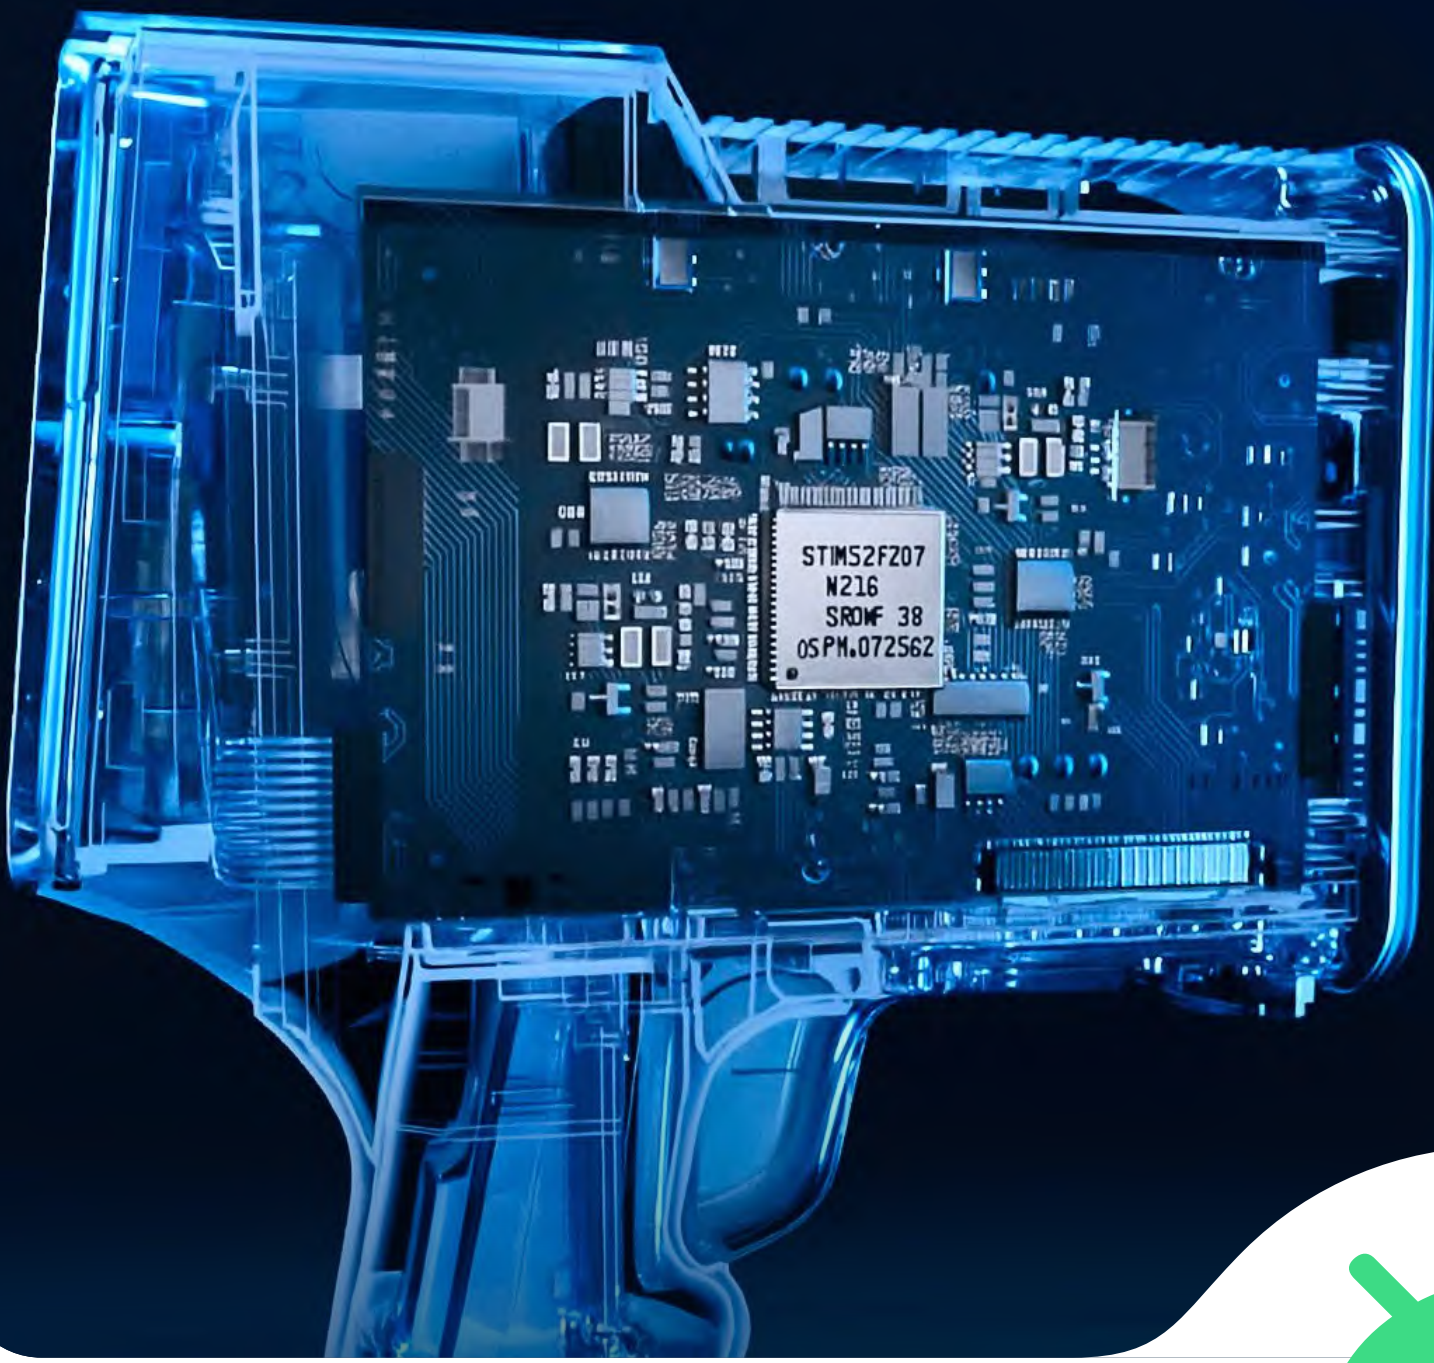

DIY custom exclusive labels & bring extraordinary creativity to life

Daily Necessities Industry

Flexible & efficient, compatible with multi-category products

Product Specification Data Sheet

Handheld Inkjet Printer Parameters

Size	5.7x2x8.85inch (LxWxH 14.5x5.3x22.5cm)
Weight	18oz (512g)
Display Screen	5-Inch IPS LCD Touch Display Screen
Material	ABS
USB	Type-C / USB-A
Printing Method	Buttons / Sensors
Battery	3000 mAh 10 Hrs(Continuous use)
Charger	5V/2A
Max Single Printing Length	0.07-39.3inch(2-1000mm)
Operating Environment	Temperature: 0°C to 40°C (32°F to 104°F) Humidity: 10%-80%
Printing Content	Text / QR Code / Barcode / Date / Graphics / Tables / Segmented Printing / Variable Text / Variable Images / Variable QR Code / Variable Barcode
Language Support	

Ink Cartridge Parameters

Color	Black, Red, Blue, Yellow, Purple
Weight	0.5-Inch Cartridge: 3.9oz (113g) 1-Inch Cartridge: 4.7oz (135g)
Resolution	0.5-Inch Cartridge: 300-600 DPI 1-Inch Cartridge: 300 DPI
Single Print Height	0.5-Inch Cartridge: 0.07-0.5in (2-12.7mm) 1-Inch Cartridge: 0.07-1in (2-25.4mm)
Printing Distance	0.07-0.19inch(2-5mm)
Print Yield Per Cartridge	1531yd(1400m) or 5000 Pages (5% Coverage)
Printable Materials	Wood, Carton, Pipe, Plastic Bag, Aluminum Foil Bag, Ceramic, Glass, Metal, Stone, Building Materials & More
Operating Environment	Temperature: 0°C To 40°C (32°F To 104°F) Humidity: 10%-80%

Net Weight Of Aluminum Case: **56.4 oz** (1.6Kg)

(Outer Material: Aluminum Alloy Frame; Inner Material: EVA Foam)
